

MICROSHIELD® Skincare Cleanser

A gentle skin cleanser suitable for sensitive skin and frequent hand washing.

MICROSHIELD® Skincare Cleanser is a pH balanced skin cleanser developed for frequent hand washing and cleansing. It is suitable for whole body washing, and for sensitive and aging skin and is commonly found in patient bathrooms/showers, clinical sinks and areas of high frequency hand washing.

- pH balanced
- Enriched with emollient and moisturiser
- Removes and replaces excessive and spent oils
- Compatible with the acid mantle of healthy skin

Application areas

Suitable for hand washing, bathing and showering.

Instructions for use

Hand washing:

Wet hands. Apply product and wash as usual. Rinse thoroughly and dry.

Body washing and showering:

Wet body. Apply product. Rinse thoroughly and dry.

Baby bathing:

Add 3.5-7ml to warm bath water. Work up a gentle foam.

Special advice

Always read the label and use only as directed.

- Do not mix with detergents and other chemicals.
- Do not use after the expiry date.
